

# Rally-Raid Assistance (T5)

**To provide a good and fast service!**

We offer **double cab** T5 Renault assistance truck (4×4) prepared for Rally Raid Assistance.

Our assistance truck will transport tools, spare parts, tyres, recovery equipment and any cargo loads need to be transported for you at Rally Raid events.

We can also propose 6 comfortable seats inside our double cab truck. That is a perfect solution for teams in demand to carry more mechanics or VIP persons during marathon race events.

Our T5 Assistance truck might be rented by single competitors or teams, exclusive or partially, with or without mechanics. It means you can rent just the truck or rent complete Technical Assistance Service from our side. Our highly experienced mechanics team will act as rolling workshop support for your needs in any auto Race events. In any case at least one professional driver from our side is compulsory together with the truck!

The truck is equipped with:

*220V-(HONDA 3leg 15 kW Power generator) +5kW additional one;  
Air pressure (Ingersoll-Rand Compressor);  
Welding; Tools and special tools; Lights; etc.*

Please contact us for further details and quotes:
